### Apply to: Data Analyst position

Dear Human Resources Administrator

I am pleased to find your job description for Data Analyst position on TopCV.vn. I feel that it is direct match with my qualifications and experience.

I am studying E-commerce at Van Lang University and I seem to have been fascinated by Data Analysis. In school, I spent a lot of time researching and practicing Data Analysis skills.

I am really excited about programming languages, I actively study programming languages like python, R, SQL, and besides that, I also learn how to use Data Analytics Tools such as Tableau, Voyant, Microsoft Excel,... In recent time, I just started to enroll in Google Data Analytics Professional Certificate and intended completely finish the certificate in 3 months.

Please consider the enclosed resume to know more about my professionalism, background and skills. I look forward to have an opportunity of discussing my application with you further and how I can significantly contribute to the ongoing of your reputable company.

Yours sincerely,

Nguyen Huynh
